**1 ticket for getting your picture taken as a superhero**

**1 ticket for attending the session about Cornell Elementary's Summer Reading Program**

## Activity Descriptions

**I - PICK "Just Right" Books:** Need help finding a good book for your child to read? Come to this session to learn how to pick the just right book!

**Online Reading Resources:** Learn about the various online educational resources that are available and appropriate for your child. All you will need to access these resources is the internet!

**Fortune Teller Comprehension:** Come create a paper fortune teller that allows you to ask questions as you read fiction and nonfiction books.

**Summer Journals:** Learn the importance of your child writing throughout the summer and make a summer journal to get them started!

**Play Based Learning of ABCs:** Younger kids learning their ABCs and older kids learning how to spell, rhyme and read their sight words will enjoy these hands on, fun activities for summer. No pencil or paper required!

**Comprehension Roll:** Learn how to help your child with reading comprehension. We will engage in different activities to help your child understand what they read.
